

4 Pillars Of Greatness

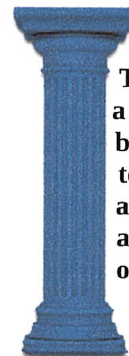

To provide our customers with the highest level of Electronic Component Services unsurpassed in the industry.

To tell a great story given our 20+ years of service

To deliver an exceptional experience to our customers

To build a great team by continuing to develop an outstanding and positive office culture

Our True Colors

Blue: *Trust & Peace*

LanTek strives to provide upfront, straight forward, and detailed information using our 20+ years of industry experience in the timely manner that is essential in an electronic component supplier.

White: *Complete & Pure*

LanTek gives assurance and confidence to our customers by being a full-service provider; identifying new solutions and utilizing proven methods to meet their daily purchasing demands.

Green: *Balance & Growth*

LanTek is committed to fostering an environment of personal and professional betterment. We create this by cooperating as a team for the success of both the company and our customers.
